

Be sure
you could get a
good boyfriend

Mustn't
be late and
cheerful

Seemed to
blushing
again.

Was it that
embarrassing
to say?

Can
you open

Can
you later
Concert

already
all

Must
thank her
properly

Perhaps
that the
"Happy-
Friend" I'll
get one
day."

When I
look at her
up close, she
really has a
nice face...

Seriously,
who's here
right now,
correct? Just
a better
choice

At Kondou-
sensei just like I
thought.

Whoa

She's turn
off your
camera!

Could that
be her? It's
so late.

Whoa

I'm looking
forward to
seeing you
next night!

She must
really like
me, huh?

Kondou sensei
really is nice~

Yes.

I'm kind
of happy!

Oh, yes.

It's like
having a
boyfriend.

This
is nice.

I'm
serious.

Good
night~!

Yes, I
added a
heart!

I'm
looking
forward
to
seeing
you
next
night!

But—I
wanted to
wear a
garden

Genji: Wearing
a getsu on one
foot and a sandal
on the other
is absurd

If you
fall and get
hurt again

You
narrow-
ward

We
can
look
them

Genji:
Lying like
that...

Yagi

The fireworks
will start soon

Ek—

Stop
making

Don't sit
and wait

People are
waiting a getsu
and calling you
my boyfriend

Ek!

Am sorry,
am you
angry?

Am not
angry

Genji

Is that
from a rock-
band? Do you
like that?

You
thought
pretty
cool?

I just
was
tired...

I
remember
last
and
winter
in
the
night
day...

It's
really

cute
you

I
remember
when
you
started
to
wear
a
crown...

In
the
darkness...

I
remember
when
you
started
to
wear
a
crown...

and
my
heart
was
beating
there...

That, and how Koudou-senpai's slightly nervous face was cute...

Even in the brightly-lit train,

The image of the fireworks exploding in the darkness was still playing in my eyes.

The heat
that burned
me from
inside.

My
life.

Your
father's
love.

Fireworks
burst and die
in the night
sky.

The fear
knew its
loss.

Are
you
alive?

I exploded
looking you.

The
model of
humanity.

The
fear
that
burned
me to
death.

Are you
looking
up?

My
life.

KILL
KILL

Is your foot okay?

It's a simple room, very much like Kambour's room.

Are you going to take a shower? You can go first.

I don't have any pajamas.

Here are my shorts.

Can I have a towel and a plastic bag so I can wrap my foot up?

There's the weapon in the kitchen.

Is on the second floor.

Be careful climbing up the stairs.

You can go first, I take care after you.

There aren't any clothes.

There's no changing room.

It has only towel you.

I don't know how to fold a yukata.

Just leave it over there and I'll fold it for you.

Okay.

No, it's no big deal.

Yes, I'll call a taxi and send her home tomorrow.

No, in fact.

Her foot is fine.

No.

Thank you, but you wouldn't do it yourself, Higuchi-san?

Thanks for calling home for me~!

Definitely that, etc.

Sensei.

Definitely.

It gets a lot dryer.

Umm, I go take my shower now.

Higuchi-san.

Oh, then.

Hey, stop saying "san"~! Either don't use any honorifics, or call me Higuchi-dan!

Can we
go to sleep
while holding
hands?

Muga-
chan

Yeah.

Y-

Her lips
are soft.

(Aww)

Muga-chan.
I like you.

Her
palm that I
regained
countless
times.

I will
find you,
Muga-Chan

Karabasa-
maru's a good
warrior.

Even though
there's a 3-year
gap between us,
and I thought I
couldn't.

I've always
thought you
were cute.

Ever
since we
first met.

but I
love you.

So
then
why

I love you,
Miyako-san.

My parents
take you
with me and
I want to
go to school.

When
September
comes, your
feet will heal
and you'll be
able to go
to school.

When that
time comes, I
thought I'd be
able to forget
about you.

Cuddling
and going to
sleep with my
beloved Kori-
dou-street...
I should really
be happy

do I suddenly
feel so alone ...

But, for
having that
I will give
Hugs don't

So...
I like
you

work
at home...

It's
bad...

Oh, if
you don't
want to,
that's fine
for today.

Can I
hug you?

But, for
really bad
with things
that other
people don't
do

I thought
not being
anxious would
be easier

...sweet
familiar
feeling.

...what
a strong

I love
you.

The fact that

Kamijou wasn't in a moment

I haven't paid any attention to it before, but ever since we kissed, it's been worrying me.

It was hard for me to look her in the eyes.

Her slender figure

made slight movements.

He was actually Fushimi's class!

It was really interesting and...

Is he a high school student? A college student?

Did you hear that already?

No way!

Oh, the looks are amazing!

It's okay for the most part, but still a bit of a burden though.

That is, your first-class display room?

Hey, Mito was the person you were with at the fireworks display, right? You're boyfriend?

I was supposed to attend summer camp abroad, but the uphill road on the way there served as my excuse to not go.

But, in exchange, my mom got me a nurse tutor.

お母さん

I couldn't go with my friends to the beach.

I didn't have any urge to go see fireworks with a care.

Even though it was summer vacation, I broke my foot.

I was so embarrassed that I did it — falling down the stairs, so I didn't tell anyone.

Starting today, I'll be your nurse tutor, In Kordos.

Let's start in 30 min afternoon.

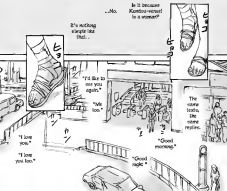

Magnolia.

Magnolia.

—If only I was a cool guy, then that would be nice.

I'll turn this off.

Whoa, this is in here.

What is
"love"?

Summer
Memories

I love
you

I
love
you

loving
you

I miss
you

I couldn't
simply reply
with ah I love
you too!

You
sent me a
text, saying
I love you...

he
said...

I don't know
even though I
think I love
you!

Unsettled...

Unsettled...

Love...

to you
Gina!

L
probably
did something
terrible

I get
you were
told to wash
your face,
right?

Maybe
why don't
you come
inside for
a bit?

Det.

Even
though I
thought I was
how were
cool and fast...

I don't
know. Even
though I love
you.

Actually,
let me
thank
you

It was a
really fun
summer

Am
not
angry

Are you
angry,
Sandra?

It was
probably
misunder-
stood from the
start

Oh

I want
to see
your smile
for more
time

Okay!

Oh

Can I
ask a
favor of
you?

Yes,
Miyu-
chan

Smile

Inside
my

school.

The
flowers
from that
day

I thought of
it afterwards.

Now
shall we
study?

Just at that
time, I...

Think
I fell
in love.

Thank
you.

on your way
home.

Thank you,
Kagami-san.

Konichiwa-san,
thank you!

goodbye!

The one who I
shared my first
kiss with.

the one who
gave me my
first deep
emotional
pain.

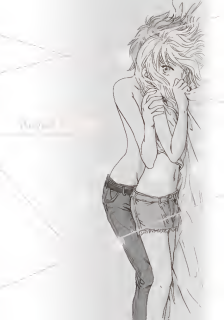

The number

2008.8 nightpale

Keep them
from a girl

Yes,
Kondou
En.

But I also
think it might be
a blessing if you
finally study your
grades more
seriously

Getting injured
during your
unwanted summer
vacation is quite
a disaster

My mom
said a girl
would be
coming

I was
wondering
why a girl
came

Someone
"Kondou"
was, if

Yeah

Four
classmates
coming

When
do you
start from?

Have you
gone to the
beach? Do
you start or
anything?

My mom
I heard that
you're having
troubles with
math

Are you
a college
student?
Are you also
on summer
vacation?

The second
year of middle
school is a
very important
time

My
mom

Am often
mistaken
for one

My mom
is really
so cool

I solved
one of the
problems
I couldn't
understand
at all before.

Sensei's way of
teaching made
math easier to
understand.

was similar to
the high-pitched
voice of a male
vocalist who's
in a band I like.

Sensei's low,
womanly voice

...It
made my
heart beat
a little bit
faster.
